PRODUIT DE FRANCE

Region:  
Vin de France

Grenache

ABV:  
12.5 %

## What:

Easy drinking French red wine. Fresh, bouncy, and loveable; wines as full of character as the dogs they're named after!

## Where:

The grapes are destemmed and macerated at cool temperatures prior to fermentation in order to gain the juicy fruit flavors.

## Food Pairings:

Perfect with a platter of antipasto or tomato, hearty meat based pasta dishes, or all on it's own!

## Tasting Note:

Fruity, warming and slightly aromatic on the nose. It is a fruit-driven style brimming with blackberry flavors, yet underpinned with a backbone giving some weight.
