

# Alasia

# Gavi di Gavi

Region:  
Gavi di Gavi DOC

Grapes:  
Cortese

ABV:  
12.5%

## What:

Beautifully fresh yet complex Gavi from old vine fruit. The blend is specially selected by Araldica's Gavi winemaker, Carlo Manera

## Food Pairings:

Drink with pasta in pesto sauce or try with pork chops.

## Where:

Cortese grapes are sourced from selected, mature vineyards in the heart of the Gavi di Gavi zone. They are hand-picked, pressed and undergo temperature controlled fermentation in stainless steel. The wine remains on its lees for three months before bottling

## Tasting Note:

Aromas of citrus, fennel and green apple. The palate is broad and structural with more apple flavors, stone fruit, hints of lemon and a refreshing minerality on the long finish.
