Region:  
Abruzzo DOC

Grapes:  
Montepulciano

ABV:  
12.5%

## What:

Plenty of fruit balanced by structure and a supple body - proper food wine, crying out for a plate of pasta.

## Where:

Produced from selected parcels of Montepulciano grapes, from low yielding 30 to 50 year old vines planted in clay/chalk soils in the Chieti province of Abruzzo. The warm and dry climate produces a healthy crop of excellent quality grapes, harvested in mid September. Fermentation took place in small batches between 28 and 30°C using natural yeasts. The skins were left in contact with the fermenting wine for 10 days. After malolactic fermentation the wine was transferred to Adria's cellars for maturation prior to bottling.
