What:

Agarena Brut Rosé is a vibrant and approachable sparkling wine from Spain, made entirely from Garnacha grapes. Bursting with fresh strawberry and raspberry notes, it offers fine bubbles and a crisp, refreshing finish.

Where:

Made in Requena, Spain, from carefully selected Garnacha grapes, this Cava Rosé is crafted using the traditional method, with the second fermentation taking place in bottle. The wine is aged for a minimum of 9 months on its lees, enhancing complexity, texture, and finesse while preserving the vibrant red fruit character and freshness of the Garnacha. Following disgorgement, the wine is finished as a Brut style, delivering a balanced and elegant sparkling wine.
