

# Wildeberg Terroirs

Region:  
W.O. Franschhoek

Grapes:  
Semillon

ABV:  
14.0%

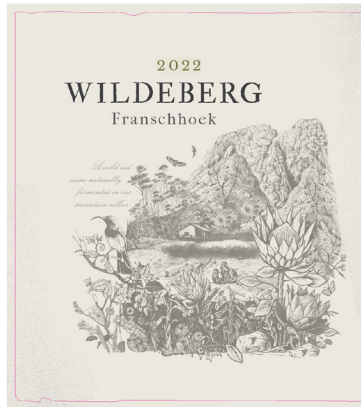

## What:

Our first release of Wildeberg White exemplifies the magic of Franschhoek.

## Where:

Sourced from ancient bush vines in the Franschhoek Valley in the south-eastern corner of the Cape's Coastal Region. Franschhoek is amongst the oldest planted regions in the Cape, with Semillon have been planted here in 1679 by French Huguenot settlers. Naturally-fermented in new and older oak at our Franschhoek farm, there is very little magic involved other than the fruit itself.

## Food Pairings:

Ideal with delicate fish dishes, fresh oysters and prawns.

## Tasting Note:

Being in this first release 100% ancient bush-vine Semillon aged in new and older oak the palate has an impactful attach of tight, bright, highly textural citrus tang and terrific mouth-feel. It is a vast wine with layers of expression.
