“Sleigh all day, then Sparkle Away”

Region:
Prosecco DOC
Grapes:
Glera
ABV:
11.5%

What:

From the vineyards of the rolling hills, this classic Italian fizz is gently aromatic, crisp and delicate with a subtle fresh apple flavor.

Where:

Sourced from carefully selected Glera grape parcels located northeast of Treviso, these grapes are hand-harvested at their peak ripeness to achieve an ideal balance of aromatic intensity and bright acidity. The grapes undergo a gentle pneumatic pressing, followed by a slow, cool fermentation process in stainless steel to preserve freshness and purity. The wine then undergoes a second fermentation in pressurized tanks, which lasts for four weeks, ensuring a delicate and persistent effervescence.
