

Cermeno

Region:
Toro
Grapes:
Tempranillo
ABV:
14.5%

What:

A robust and flavorful red wine from the Toro D.O. in Spain, a region known for its powerful expression of the Tempranillo grape.

Where:

The vineyards, with vines often around 30 years old, benefit from the region's extreme continental climate and distinctive soils, which contribute to the grapes' strength and elegant character.

Food Pairings:

The wine's robust nature and tannins are well-matched for rich, meat-focused plates; roasted or grilled lamb, beef tenderloin, and filet mignon.

Tasting Note:

This wine offers alluring aromas of ripe black and red fruits, like blackberry and plum, often with notes of spice, licorice, and mocha. On the palate, it is round and persistent with a balanced and well-structured body. A fine tannic finish and a vivid cherry color further characterize this delicious expression of Toro.
