What:

Agarena Brut Rosé is a vibrant and approachable sparkling wine from Spain, made entirely from Garnacha grapes.

Where:

Agarena Brut Rosé Cava is produced solely from carefully selected Garnacha grapes grown in the vineyards of Requena and picked at the beginning September.

Food Pairings:

An excellent aperitif, pairs beautifully with fresh seafood such as oysters, shrimp, and lobster, as well as sushi, sashimi, and lightly cured salmon. It complements charcuterie, soft cheeses, and dishes with subtle spice, making it a versatile choice from starters through light cuisine.

Tasting Note:

Delicate berry aromas lead into a palate of fresh strawberry and red cherry fruit. A fine, persistent mousse carries through to a soft, elegant red berry finish.
