

Durigutti HD

Region:
Mendoza

Grapes:
Malbec

ABV:
13.9%

What:

Fresh and mineral, born from vineyards located on stony soils, this Malbec expresses the typicity of the varietal in this origin, after a young aged in cement eggs.

Where:

These single vineyard wines, pure expression of the Altamira terroir, are born at more than 1100 m.a.s.l. Hector Durigutti explores and interprets this place since 2008 with his style and personality, working with old vineyards under the care of a small winegrower from the Uco Valley.
