## Côtes de Provence

Region:  
Provence

Grapes:  
Grenache, Cinsault, Rolle

ABV:  
12.9%

### What:

An elegant, beautifully presented Provence rosé.

### Where:

The wine is sourced from a single cellar our master blender, Samantha Bailey, selected a number of cuvees to find the perfect blend. Composed of typical Provencal varieties of Grenache, Cinsault and Rolle. The Grenache brings notes of white peach along with red berry fruit. Cinsault offers delicate spice and a herbaceous twist. Rolle offers delicate floral aromatics of orange blossom and mandarin...

### Food Pairings:

Rose is such a fantastic food wine making it a wonderful accompaniment to a wide range of summer dishes. The crisp acidity will be wonderful with some fresh seafood. Or perhaps even nicoise salad or try with a feta and spinach tartlet. Enjoy chilled and quaff liberally.

### Tasting Note:

Delightfully crisp and refreshing, as Provence rose should be. Powdery pink in color, with notes of white peaches, redcurrants and mandarin.
