What:

Pale coral pink in color, strawberry and bramble aromas lead to a delicate, yet juicy palate with red berry characters. Slight creaminess flowing to a crisp dry finish.

Where:

Produced from grapes grown in the Pavia region of northwest Italy. The ripest grapes were selected from mature hillside vineyards and hand harvested in early September. The extra ripeness allows the dark-skinned Pinot Grigio grapes to develop a pink tinge which is further enhanced by the addition of a small proportion of Pinot Noir grapes from the same vineyards. The grapes were harvested at optimum ripeness together and then the skins left in contact with the juice for 12 hours at a low temperature before gentle pressing. After a slow, cool fermentation in temperature-controlled stainless steel tanks the wine was bottled young to preserve freshness and aromas.
